r17.0.1 Changelog

+------------------------------------+
|   r17.0.1 Release - 63540   |
+------------------------------------+

Release day - 15 January 2020

Bugs

- [DSOF-12368] - When using a Notch block, and applying a warp to a mapping it may create flashes around the outside of the mapping boundary
- [DSOF-12566] - Changes in patch assignment editor may not always be saved on exit
- [DSOF-12623] - Zoom to object (F) should work when 3D manipulators are disabled
