

# Designer r32.3.5 Release Notes

---

## [Download r32.3.5 Full \(Pro\)](#)

Full (Pro) build: 241471

Starter build: 241472

Released: *March 11th 2026*

## Fixes

- **DSOF - 32236** - DMX Sockpuppet patched fields no longer change to the default value defined in the personality when a DMX device is lost, but instead retain the last - sent value.
